creating great places to live

Surry I

This single story Bungalow style home of 761 square feet features spacious living areas on a small footprint.

The home includes one bedroom, one full bathroom, and an open kitchen, living, and dining area perfect for entertaining.

The historically inspired exterior offers a double gable roof with a side gable, a covered front porch, a rear patio, and an exterior storage room. At only 760 square feet, this plan is ideal for small lots.

Modifications available upon request.
